RESEARCH INTERESTS

Artificial Intelligence: Machine Learning, Artificial Emotions, Expert Systems.

Algorithms: Data Structures and Algorithms Design.

EDUCATION

◇ Sharif University of Technology, Tehran, Iran, September 2009 - June 2011 (exp)
M.Sc. in Artificial Intelligence

◇ Sharif University of Technology, Tehran, Iran, September 2004 - June 2009
B.Sc. in Computer Engineering, Major: Software Engineering **GPA: 15.1/20**
Thesis Title: "Suggesting and Evaluating a New Content-Based Measure to Find Similarity between Persian Weblogs" Advisor: Dr. H. Abolhassani

Relevant coursework (GPA 18.2/20): Expert Systems (A⁺), Artificial Intelligence (A⁺), Introduction to Programming (A⁺), Digital Systems Design (A⁺), Design of Algorithms (A⁺), Data Structures (A⁺), Theory of Languages and Machines (A⁺), Software Engineering (A), Modern Information Retrieval (A), Operating Systems (A), Compilers Design (A), Design of Prog. Languages (A), Computer Networks (A)

◇ Shahid Soltani High School, Karaj, Iran, September 2000 - June 2004
Affiliated with the National Organization for Development of Exceptional Talents (NODET), **Diploma in Physics and Mathematics Discipline. GPA 19.2/20**

HONORS AND AWARDS

- ◇ **2nd Team** in Regional Contest of ACM ICPC, West Asia Site, Nov 2009, Tehran, Iran.
- ◇ **Ranked 11th** in final step of 14th Iran National University Students' Olympiad on Computer Engineering, July 2009, Tehran, Iran.
- ◇ **Ranked 9th** in Software Engineering and **16th** in Artificial Intelligence field of nationwide M.Sc entrance exam among more than 11000 participants, May 2009, Tehran, Iran.
- ◇ **14th Team** in ACM ICPC World Final Competition, April 2009, Stockholm, Sweden.
- ◇ **1st Team** in Regional Contest of ACM ICPC, West Asia Site, Dec 2008, Tehran, Iran.
- ◇ **Ranked 12th** in Artificial Intelligence and **20th** in Software Engineering field of nationwide M.Sc entrance exam among more than 11000 participants, Feb 2008, Tehran, Iran.
- ◇ **2nd Team** in Regional Contest of ACM ICPC, West Asia Site, Dec 2007, Tehran, Iran.
- ◇ **4th Team** in Regional Contest of ACM ICPC, West Asia Site, Dec 2006, Tehran, Iran.
- ◇ **5th Team** in Regional Contest of ACM ICPC, West Asia Site, Nov 2005, Tehran, Iran.
- ◇ **Silver Medal** in International Olympiad in Informatics (IOI), 2004, Athens, Greece.
- ◇ **Gold Medal** in Iranian National Olympiad in Informatics, 2003, Tehran, Iran.
- ◇ **Silver Medal** in Iranian National Olympiad in Informatics, 2002, Tehran, Iran.

TEACHING EXPERIENCES

Design And Analysis of Algorithm
Sharif University, CE Department
Tehran, Iran

Teacher Assistant - Head TA

Spring 2007, Spring 2008, Spring 2009 (3 Semesters) Responsibilities included: Managing other TAs; Occasional lectures; Designing problems for exams; Grading exam sheets. Instructors: Prof. Ghodsi and Dr. Safari.

Web Programming Course
Sharif University, CE Department
Tehran, Iran

Teacher Assistant - Head TA

Fall 2008

Responsibilities included: Managing 3 other TAs; Designing and grading exercises; Offering and grading course projects; Grading exam sheets. Instructor: Dr. Safari.

Introduction to Programming (C++) *Teacher Assistant - Head TA*
Sharif University, CE Department
Tehran, Iran **Fall 05, Spring 06, Fall 07, Spring 08**
(4 Semesters) Responsibilities included: Managing other TAs; Attending Problem Solving Classes; Designing problems for exams; Grading exam sheets. Instructors: Mr. Hajaboutalebi and Mr. Mousavi.

An Intro To Artificial Intelligence *Teacher Assistant*
Sharif University, CE Department
Tehran, Iran **Spring 2007, Spring 2008**
(2 Semesters) Responsibilities included: Designing problems for exams; Grading and defining 4 coding projects; Instructor: Mr. Halavati.

Simple Webbing (Work & Study) *Instructor*
Sharif University, CE Department
Tehran, Iran **Spring 2007, Summer 2008**
(2 Semesters) Instructing web design to undergraduate students. Topics included HTML, CSS, JavaScript, PHP, MySQL up to designing a web-application. There were 40 students in first semester and 25 in second for 8 sessions of 2 hours each, in average.

Programming From 1 (Work & Study) *Instructor*
Sharif University, CE Department
Tehran, Iran **Summer 2007**
Instructing how to implement standard and pretty codes, specially in C++ and with STL. The classes are held in Computer Engineering Faculty of Sharif University. A joint work with Mohammad Mahini.

ACM ICPC Trainer and Instructor *Instructor*
Iran Uni. of Science & Tech, Tehran, Iran **Summer 2007**
Universtiy of Tehran, Tehran, Iran **Summer 2009**
Uni. of Science & Culture, Tehran, Iran **Summer 2009**
Islamic Azad Uni. of South Tehran, **Summer 2009**
Tehran, Iran
Instructing how to prepare a successful team and also technical issues (algorithm, coding facilities) of ACM ICPC competition to some selected students of Iran University of Science and Technology. They got 12th place (4th university) at the final competetion.

Head of the Summer Camp *Manager, Instructor*
Young Scholars Club
Tehran, Iran **Summer 06, Summer 07, Summer 08**
Scheduling, coordinating, reporting, being responsible of trainging sessions (and exams) of top 30 students of nationwide exam and 15 teachers for 9 weeks (each summer), for 3 consecutive years. Along with that, instructing Data Structures, Design and Analysis of Algorithms and Programming (C++) had been some other responsibilities.
